

# 4<sup>th</sup> ANNUAL MEMORIAL GOLF CLASSIC 2023

## in support of The Caring Place

*"The goal of the Ryan Schlechter Foundation is to fund, promote and spread awareness for mental health and initiatives related to suicide prevention, depression and addiction that affect the lives of our loved ones. With your help, through this foundation we can work at preventing and educating people about depression and suicide. You may just save a life!"*

### Dear Potential Sponsor & Player,

On June 9th, 2016, 36-year-old Ryan Schlechter sadly and tragically decided to take his own life. Ryan was a loving, kind, and generous father, son, brother, uncle, cousin, and friend whose infectious smile and laughter made everyone around him feel good. He was an expert fisherman who's love and passion for the outdoors had him dreaming of becoming a conservation officer and spending the rest of his life in Northern Saskatchewan.

Ryan was a journeyman welder by trade and was valued by his employer for his work ethic and skill.

In September 2017, Ryan was inducted into the Saskatchewan Broomball Association Hall of Fame. Ryan was a world class broomball player who was always a dominant force on the ice.

By all accounts Ryan Schlechter was an accomplished person, fathering two amazing children Seth and Bella, but all of this could not keep Ryan with us.

Ryan struggled with depression like so many people do. An estimated 1 in 4 Canadians has a degree of depression serious enough to need treatment at some time in their life. 12 people die by suicide every day in Canada.

The Caring Place provides a service one of a kind that uses a sliding scale payment system. You do not have to wait until you experience a crisis – you can get the highest-quality care right now. This sliding scale program requires your donations to survive!

Chances are we all know someone who is suffering from depression, but as is the nature of human beings, we are taught to "put on a smile" or be "tough". The stigma attached to depression and suicide is unfortunate and we need to learn to talk about it and find ways to help those who battle it. We all have a part to play in mental health!

We sincerely hope you will be able to attend or sponsor this event in honor of the late Ryan Schlechter.

We are looking for any support/donations you may be able to provide.

Thank you for helping this foundation and for bringing awareness to depression and suicide. Your support will continue to help fund initiatives and aid in families coping with their loss to suicide
